

Recognizing Our Gifts

Inherent in the aims and purposes of Women of the ELCA is recognizing and sharing our gifts with others. We are confident that there are many women out there who have demonstrated a special ability to prepare and present programs of special interest. At the same time there are probably many of you who are responsible for planning program activities for the year and who would find the task much easier if you had a list of speakers that you could contact.

This brochure contains the current list of potential speakers available to you.

You can help make this list grow by identifying women in your congregational unit or cluster who have the gift of program presentation and determine if they would be available and willing to share with other congregational units or clusters. For each potential presenter we need the following information:

- Name, address and telephone number of the presenter
 - Title of the presentation(s)
 - A short description of the presentation
 - Speaker fee and/or travel expenses
- Other considerations such as**
- Best time to call
 - Times not available for presenting

The information needs to be submitted to
Donna Greifzu
422 Cleveland Avenue
Waynesboro, PA 17268

email: DonnaGreifzu@gmail.com

Please help us expand this list of program resources.
