

# Together, we can do more!

As the Lower Susquehanna Synod, we are called to help our neighbors in need. When disaster strikes, we help through Lutheran Disaster Response.

When a disaster strikes in our area, Lutheran Disaster Response teams in the Lower Susquehanna Synod are prepared and ready to respond. As a church, we serve as a catalyst, convener and bridge builder in disaster response needs. We put our boots on the ground to help local areas in our synod recover from all disasters including, but not limited to, floods, fires, tornadoes and earthquakes.

Following the unprecedented rainfall that has struck our region over the past several months, **Lutheran Disaster Response** continues to actively respond to the needs of residents and congregations across Lower Susquehanna Synod.  
*The rains keep coming.*

**To help locally when disaster strikes,**  
**\$100,000** of LSS Always Being Made New donations support Lutheran Disaster Response (LDR).

LDR collaborates with congregations and established organizations of the impacted community. *We minister through the long-term recovery process.*

**We need your help!**

**Make a difference today and help our neighbors tomorrow.**

*Every dollar of LSS Disaster Response support will directly impact local disaster victims.*

Checks can be made payable to "Lower Susquehanna Synod" with "ABMN: LSS Disaster Response" notated in the memo section and mailed to: Lower Susquehanna Synod, 900 S. Arlington Avenue, Suite 220B, Harrisburg, PA 17109, or
