

Listening Sessions for 2025 Bishop Election

Our synod is conducting listening sessions as part of a discernment process leading up to the election of a bishop at our 2025 synod assembly. This is an opportunity for you to share how the Spirit is calling us, as synod, to walk together in faith and community in our contexts. The information gathered at the listening sessions will be used to prepare the *Synod Mission Profile* and *Gifts of a Bishop* documents that will serve as educational tools for our congregations in preparing for the election.

You may attend a listening session at any location that is convenient for you. The Listening Sessions are scheduled from June through mid-September as follows:
