

Help our church grow...

Electronic Giving is a convenient, consistent way to help our church grow.

Consider scheduling a recurring electronic contribution today. It's easy! You will no longer need to write out checks and prepare envelopes every week. Even when travel, illness or other circumstances prevent you from attending services, your electronic contributions will continue to be received on an uninterrupted basis.

Trinity Lutheran Church partners with Vanco Services for electronic giving. To make recurring contributions or to make an additional gift, we encourage you to check out our electronic giving options.

Get started today! Visit our church website at www.TrinityLutheranEB.org Click the **Make a Donation** button on the right. You will first need to setup an online account. Once an account has been established, you can login any time to make changes.

If you have a smart phone, you can use the QR code below. When you scan this barcode-like QR code image with a smartphone's QR decoder, it will instantly connect you to the mobile version of the giving webpage. This QR code provides a quick and easy way to access the giving page without having to type out a long web address.

If you have questions or would like assistance, contact the church office 259-9125.
