Global Leadership From Our Synod

Chad & Natalie Rimmer,
Lower Susquehanna Synod-
ELCA Senegal missionaries

“As you therefore have received Christ Jesus the Lord, continue to live your lives in him, rooted and built up in him and established in the faith.”

- Colossians 2:6-7a

The Lutheran Church of Senegal’s ministry is founded on bearing witness to the gospel in a largely Muslim context. Reaching out to educate children, provide health care for those affected by HIV and AIDS and help the human community flourish through agricultural initiatives.

In a predominantly Islamic country, this ministry of the church witnesses to God’s love through Jesus Christ.

“There is plenty of bread to go around - food, wealth, health - life abundant. But we have to share,” Chad says. **“Hunger is not God’s failure to provide, it’s our failure to share.”**

Currently, the church supports a new Lutheran church in Gambia, a neighboring country. The goal of this project is to proclaim Christ and move the church’s outreach to the next level.
