Equipping Leaders in our Synod Outdoor Ministries & Children, Youth & Family

**Charlie Roberts &
Rev. Dana Blouch-Hanson**

Reflecting on Youth & Family Ministry events and outdoor camping experiences, Rev. Dana Blouch-Hanson passionately shares, ***“Without these ministries, I don’t know that I’d be a pastor today.”*** Because encouragement began at a young age when *“at Winterfest, Leadership Training Camp, and LYO events, adults saw ministry gifts I didn’t see in myself. They helped me develop those gifts for leadership.”*

Dana shares similar experiences with many of our rostered leaders who point to outdoor ministry as significant influences on their faith formation. During these critical faith formative years, the movement of the Holy Spirit grows in palpable and profound ways, perhaps stronger than anywhere else in their lives.

Our synod’s LT camp continues to nurture and equip young leaders through leadership training at Camp Nawakwa. Programming at Camp Kirchenwald and the Wittel Farm yield similar outcomes. The Lutheran Camping Corporation and Synodical Office for Children, Youth & Family Ministry offer life-changing opportunities to equip youth for Christ-centered relationships and discernment of God’s will.
