We are pleased to welcome the Reverend Reggie Hansome as our guest speaker and Chaplain. He currently serves as Senior Pastor of All Saints Lutheran Church in Tamarac, FL, and recently moved from Los Angeles, where here served as Pastor of Ascension Lutheran Church, Assistant to Bishop Guy Erwin, and Director of African-Descent Ministries of the Southwest California Synod. He will help us explore ways to channel our responses to hatred, to reflect who we are as children of God, and disciples of Jesus. Learn more about Pastor Reggie at the website link below.

Get ready to experience Winterfest like you haven't before! We're delivering **new faithful, interactive learning sessions** on our theme, "Dear Hate," by diving into how to be love in a world that seems consumed by hateful speech and conduct. Make new friends and renew old friendships.
